#### 6.1.Verification of GSTR2A/2B vs E –Way bill Inward supplies:

On verification of GSTR 2A/2B data of inward supplies for the tax period from September, 2020 to October, 2021 and from April, 2022 to June, 2023, there are **5254** invoices were uploaded by their suppliers in their GSTR1 and the ITC as mirrored in GSTR 2A of the recipient (i.e. Arhaan) was claimed by the tax payer in their GSTR 3B returns and on verification, it is noticed that out of 5254invoices that were auto populated in GSTR 2A/ 2B data of the tax payer (uploaded by the 37 nos. of suppliers in their GSTR 1 returns) only 851 nos. of E –way bills were generated by them leaving 4403 no. of invoices not supported by e- way bills. It means the suppliers simply issued fake invoices and pass on the fake ITC to the tax payer without actual movement of goods. It is also observed that
